- DIAMOND™ Seal Technology uses a tough diamond-embedded ceramic valve to ensure like-new operation for the life of the faucet.

- MultiChoice® Universal Valve makes it faster, easier and less expensive to upgrade style, finish and functionality without altering plumbing behind the wall.

- H₂Okinetic® Showers provide the feeling of more water without using more water.

- WaterSense® labeled faucets and showers—Delta Faucet Company is proud to be an EPA WaterSense® Partner of the Year for 2011, 2013 and 2014 and a Sustained Excellence Award Winner for 2015, 2016, 2017 and 2018.
