TRIO

ELECTRONIC AIR PURIFIER

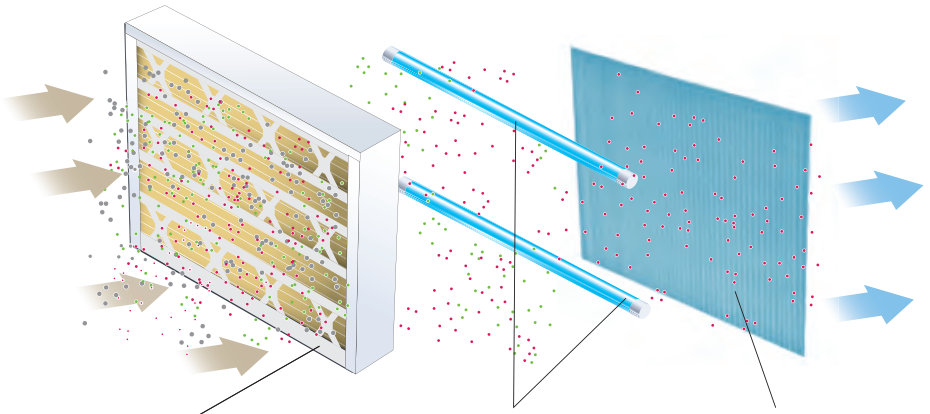

The Ultimate Protection System for homes and families

THE ULTIMATE PROTECTION SYSTEM FOR HOMES AND FAMILIES

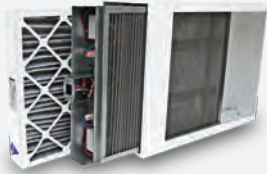

The TRIO breaks new ground in air purification for the whole house. Test data shows that the TRIO's patented technology outperforms any other electronic air cleaner or air purifier on the market. The TRIO's low pressure-drop and ozone-free design efficiently turns your HVAC appliance into a comprehensive air treatment system to protect you and your family.

TRIO ELECTRONIC AIR PURIFIER

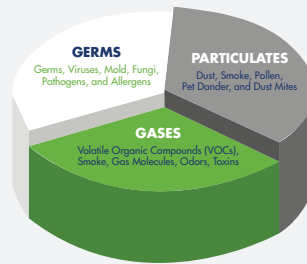

THREE STAGE PROCESS

- 1** **MERV 13 Nano-Carbon High Efficiency Filtration**
Traps particles including mold, bacteria, dust, dander, and pollen
- 2** **UVC Germicidal Purification**
Reduces bacteria, viruses, mold, and fungi
- 3** **Patented PRO-Cell™ Technology**
Dramatically reduces toxic VOCs and odors

TRIO's patented technology outperforms any other electronic air cleaner or air purifier on the market. Go to fieldcontrols.com/TRIO for more information.

ADDRESSES ALL THREE ALLEGY TRIGGERS

The TRIO Electronic Air Purifier not only removes particles, but also reduces viruses, germs, and toxic gases. Other electronic air cleaners and media air cleaners only capture particles.

Consistent with ASHRAE and CDC guidance for addressing Airborne Viruses - High Efficiency Filtration and UV-C Air Treatment

**Does Not
Produce Ozone**

The TRIO Electronic Air Purifier is ozone free meeting CA and NY state non-ozone requirements for added peace of mind.

HOMEOWNER BENEFITS:

- Protect your home and family
- Reduces VOCs, Germs, and Particles
- Fresh, Clean, and Pure indoor air
- Energy Cost Savings, maintaining heating and cooling system efficiency
- Dependable purification performance
- Healthier Air and significantly improves indoor air quality.

Combine an HHS+ control with the TRIO to efficiently manage the HVAC central for maximum performance and know when to change the filter and UV lamps.
