WHY CHOOSE AQUASPEC®?

Commercial performance comes down to thoughtful engineering. Our Zurn AquaSpec faucets and fittings meet NSF, CSA, and ANSI standards, assuring low-lead compliance and high quality.

Each faucet features a quarter-turn ceramic disc cartridge that withstands one million cycles and counting. The all brass construction and vandal-resistant design take lasting from the inside to the outside.

Turn to AquaSpec commercial faucets for commercial retrofit or new construction applications.

THE POWER OF AQUASPEC

- Low-lead all brass construction
- High-polished, chrome-plated finish
- One-piece casting with integral shank
- Heavy-duty ceramic disc cartridge operation
- Interchangeability of spouts, handles and aerators
- Three-year product warranty
