Special Note: Ships in One Box; Mounting Hardware Not Included

- Streamlines wall prep and installation, helping installers complete new-install projects faster and with less labor.
- Improves first-time accuracy with factory-located mounting points, eliminating on-site measuring and reducing installation errors.
- Provides a rigid, reinforced mounting surface engineered for long-term stability.
- ADA-Ready design helps ensure Elkay® fountains and bottle fillers meet accessibility requirements when installed correctly.
- Installs directly onto concrete block, brick, or stud walls, offering flexibility across a wide range of building types.
- Simplifies coordination between trades by standardizing mounting locations and reducing layout variability.
- Compatible with wall drains positioned 22" or less from the finished floor to support proper drainage.
- Optimized for Elkay® Pro Filtration™ Bottle Filling Stations and compatible with Elkay® Enhanced and Vandal Resistant on-wall units.

Included with Product: Mounting frame, panels and hardware

A Century of Tradition and Quality.

For more than 100 years, Elkay has been making innovative products and providing exceptional customer care. We take pride in offering plumbing products that make life easier, inspire change and leave the world a better place.
