

HVAC LEVEL 3 TRAINING

DECEMBER 14, 2026

Part One

Join us for a one-day Navien Level 3 HVAC training course for contractors covering installation and service of Navien HVAC products.

Level 3 is a requirement for contractors interested in becoming a Navien Service Specialist (NSS) or being listed on Navien's website. Attendees should have previously completed a Level 2 class. Each training attendee may order one (1) discounted Navien Parts Kit.*

The course is taught by **Travis Tombaugh, Navien Factory HVAC Trainer!**

* The order must be placed directly with and paid directly to Mondale & Associates. Orders are not accepted after the class date. Contractors **MUST** be present for full day of class to be eligible for offer.

Part Two

The Navien HVAC Roadshow goes to TopGolf!

TIME: 3:30 PM – 6:30 PM

After a day of learning, it's time to unwind! Join First Supply and Navien at TOPGOLF for an after-hours gathering featuring:

- A showcase of Navien's HVAC equipment lineup
- Complimentary food and drinks
- Golf, games, and friendly competition
- Time to connect with Navien representatives and fellow HVAC contractors

Two drink tickets per customer. No golf experience required — just come ready for a great time!
