

# HVAC LEVEL 3 TRAINING

## OCTOBER 28, 2026

Join us for a one-day Navien Level 3 HVAC training course for contractors covering installation and service of Navien HVAC products.

Level 3 is a requirement for contractors interested in becoming a Navien Service Specialist (NSS) or being listed on Navien's website. Attendees should have previously completed a Level 2 class. Each training attendee may order one (1) discounted Navien Parts Kit.\*

The course is taught by **Travis Tombaugh, Navien Factory HVAC Trainer!**

**COST:** - \$55 /per attendee

**DATE:** Wednesday, October 28, 2026

**TIME:** 7:30 AM – 2:00 PM

### LOCATION:

Mondale & Associates, 7636 Washington Ave. S.  
Eden Prairie, MN 55344

\* The order must be placed directly with and paid directly to Mondale & Associates. Orders are not accepted after the class date. Contractors **MUST** be present for full day of class to be eligible for offer.
